INTERESTED?

This group quilts weekly to provide a warm hug where help is most needed in our community. They have made quilts for foster care children, for fundraiser donations for worthy causes, and more. If you can sew a straight line or just cut and iron they would welcome you!

Tiffany

Tiffany is an equestrian star with teal cowgirl boots! Her shades can make her mysterious because she wears them often. She is a talented artist.

Thank you for your partnership with our ministry & sponsoring Tiffany!

"My life group is Harbor Lights. I'm light on my feet and can walk without making a sound. I participate in Pathway classes at Goodwill. Japanese food is my favorite. I like reading about Japanese culture. I love music. I like watching TV shows with animals. I enjoy spending time on my iPad and DS games. Blue is my favorite color and my birthday is December 3. I have a knack for putting together cute outfits."

Your support is behind their smiles!
