❖ Who can Volunteer for Adventure Week?

- ▶ 12 yrs / 7th grade and up (we encourage all ages to volunteer as it shows the participants that following Jesus is for everyone. ❖ What will an evening at Adventure week look like?

- ▶ Your child will start the evening with their small group in our Sanctuary for opening ceremony, where we will sing our camp songs, hear about our mission, and hear an important truth from the Bible to strengthen our relationship with Jesus, and of course talk about all the fun planned for the night.
- ▶ Their small group crew will be made up of 7-12 kids in their same age range led by 2-3 leaders. In groups, they'll stick together as they rotate to many fun stations throughout the evening and get to apply God's Word to their everyday life as they circle up with their crews for thought-provoking discussions.
- ▶ Imaginations will then soar as kids either do creative arts and crafts or experiment with Scieny-Fun experiments that reinforce the Bible point for that day. Kids will run and jump through games that connect with the daily Bible verse, stop and refuel at our dinner station, and then wrap it all up by gathering back together in the Sanctuary to end the day with more music and fun.
